COMMITTEE REPORT

**REPORT OF JOINT SURVEY COMMITTEE ON TAX
EXEMPTIONS**

Assembly Bill 9

Public Policy Involved

The law presently allows mutual fire and mutual casualty insurance companies to operate at a competitive advantage compared to stock companies offering similar coverages. This bill would subject similar lines of insurance to the same rates of taxation and allow mutual fire and casualty insurance businesses to share equally with stock companies in supporting government on the basis of their business transactions in Wisconsin.

It is desirable public policy to close this difference in the taxation of different insurance companies. This bill proposes one method of doing that. An alternative to extending the premium tax to domestic mutual fire insurance companies would be to impose an income tax upon such companies.

Respectfully submitted,

**JOINT SURVEY COMMITTEE
ON TAX EXEMPTIONS**

HARVEY L. DUEHOLM,
Chairman.

Assembly Bill 9

Referred to the committee on Insurance and Banking.
